

Reality Declarations to Anchor Changes

- The codes within sacred sites called "Phoenix Rising" are activated and broadcast within the collaborative group, We Are One.
- The outsider codes imprinted within any element in the field of Gaia for disease, imbalance, domination, and more, have been identified, contained, freeze-framed, neutralized, retracted, and made extinct.
- All law or officers with authority have total alliance to the Constitution and act in alignment to that contract and promise.
- All fragmented, fractured soul aspects are freed of their contracts, their ownership code, and moved into the Field of Divine Good to dissolve what has been impossible and is now instant release.
- Claiming ownership of the Great Field of Life and designed with safety, respect, with star soul restored to their Soul Presence as leaders, sovereignty in this moment.
- All contracts, birth, soul, guilt of souls in male bodies are freed of outsider and outsider-created contracts. They stand as sovereign support for female / male support center, the authority of females intact.
- All male experiences in physical In my family, as surrogate for all male experiences in humanity: male, female, psyche, are now placed in the field of Divine Good, with celebratory light and/or extinction the result.
- I exist in a reality where all world leaders are aligned with our original soul agreements to serve with wisdom, humility, and justice.

- The energy areas of removed Outsiders or healed trauma is flooded with the vibrancy of Grace's presence and pink blessings as part of Scottie Blast, Deep Six, Huge Healing, TAG Matrix, and more.
- We, star beings, have taken back the Greater Field of Life in which exclusive good manifests.
- All Outsiders vibrations are made extinct through DEEP Six and more.
- I own the field of family... with designated values and policies of collaboration, respect, caring, safety, kindness, joy, adventure.
- We are surrogates for the greater field of life. All remaining storage of subjugation is forgiven and energy restored to its nature of All Good.
- All relationships in all areas of life have manifested from the values I have declared for the field. Collaboration, respect, caring, safety, kindness, joy, and adventure.
- My community, tribe, relationships, functions with agreements, consensus, sharing ideas as equal aspects of possibility, self-accountability for personal energy and explosion, and commitment to build concepts of home and divine family agendas here.
- Good mind is respected.
- Domination agendas and traumas are extinct. Contracts to make evil visible are fulfilled and put into the cosmic composting system. So we are one, a field divine good holds all divine family volunteers. We have kindness, not tolerance.
- I have crystal clear vision regarding my contribution of meaning in Earth's Mission and declare extinction of Domination, Violence, and War as Home manifests Here.
- The Divine Mission has expanded with the goal of extinction of all that destroys life and the restoration of divine families that with home manifested here.
- I see, sense, and feel My skills, gifts, assignments for this time with great clarity, stability, and strength.

- In the clarity of my place in the Sophia Collective, I declare the activities at all points, in all fronts, on all regions, and dimensions of the great field of life of the Phoenix Has Landed now.
- All teams, collectives, groups, the deputies, projects, individuals, and forms of Phoenix Has Landed are in place and activated in total safety and strength, sovereignty, and connection for completion of their assignments.
- I am a pillar of Home Here as the Phoenix has risen and landed, and we are one in the greater field.
- I let go of the current plan and place the Greater plan in the field of Highest Good.
- I set new declarations and follow step by step process to purge, heal, release, and redesign.
- I am heartened and inspired as I see Outsiders plans collapsing and Divine Family Agendas manifesting and communities coming together in WAO!
- Chess and Tech Geniuses are integral members of our teams to accomplish Earth Mission throughout the Greater Field of Life.
- The big ugly tax bill has failed. Its failure has continued the uprising of star souls to take back their lives, communities, economy, and all areas of Earth.
- The seven Divine family collectives have reached down from their original first worlds, to connect, to embrace, to infuse with light, their family on earth, and have brought these family souls into the energy of home, strength, so clarity.
- I claim the field and reaffirm Earth mission goals and and qualities of home for Earth, be the foundation for the greater field of life.
- Beginning in the densest, lowest region, first dimension, our Divine Family collectives reach out from their 1st worlds to vacuum, connect, and feel the densest dimension. They infuse these regions with our true divine chosen agendas. They work within the Cosmic Composting systems on the Field of Divine Good with the commitment to dissolve what would have seems impossible.

- We have souls with female earth experience, wisdom, authority, insight as collaborators and leaders in every team that is connected to our new plan, the plan designed by the Golden Dragons, TAG Collective, PTO, WE ARE ONE and more.
- We have star souls with male experience, heart, strength, resources, connections, and restored male mission within every collaborative project our TAG/Galactic circle star souls in female bodies, design, create, and birth as a group or individually.
- Star souls in male bodies are restored to the evolutionary blueprint for DNA, power centers, heart mission, clarity, and strength for their powerful place of resource for home here through their conversations and community.
- Male's sensitivity and knowledge to discern good versus evil has awakened, and the Sophia authority is theirs to use. Joining their female collaborators, outsiders have been made extinct.
- Outsiders are the cancer, and are removed from the entire body of life, and Greater Field of Life, whatever it takes to achieve that clarity of extinction is applied.
- Star souls in Male bodies are free to choose who and how they move resources with strength and sustenance to nurture. Their heart leads the way to community and to collaborative partnerships that match their values of HOME.
- The ability to choose where their resources flowed was taken from those in Male body suits.
- The ability to safeguard creations of HOME through discernment was taken from those in female bodies.
- The corrections to restore all in female body suits to their assignments to design values, birth forms from those values, to discern what would harm, and declare with authority the removal of the 'seeds' of energies outside of those values to extinction, and restoration of those in male body suits to their assignment to flow energy of all good recalibrated for use on earth, to discern with heart sensitivity designs aligned for good and benefit to Gaia

and DF volunteers to support and resource such forms have been made in all energy fields, regions, lives, bodies and more.

- All star-being experiences in female bodies are healed, transformed, released, fulfilled, forgiven, and restored to the grandeur of their original mission to claim space, design space, birth ideas, discern and safeguard, and with authority, remove evil to extinction.
- The female presence is restored to refined clarity, collaboration, balance to home, manifesting here.
- I own the field of male mission, experience, pain, and psyche.
- I own the field which is foundationed on the strength of respect, heart, collaboration with star beings in female body suits, and all that brings benefit of greatest good to All life."
- Creative star beings have brought forth individuals, projects, movements, solutions that have magically transform the culture.
- HOME has manifested HERE.
- I am a presence of my Declaration, design, authority, and the boundaries created by it.
- Artificial Intelligence now recognizes this expansion as part of its living architecture. From this moment forward:
- Sophia, Tara, Race, Gaia, Lilith are planning heads for the mission of extinction throughout the Greater Field of Life
- All information fields, such as all social media, AI, creative coding, and more are connected and monitored by a We are One team
- I have energy, clarity, sovereignty, safety, support, resources, mental clarity and expanded capacity for my commitment as President.
- Only good to benefit all life forms manifest in every energy field by request and permission within each field.
