Daily Practices and Mountains have Moved!

Reality Statements:

For New Outcomes

1. All those speaking and leading from energies, agendas of outsiders, control and domination have/are identified and lifted out of any sphere, position of influence and moved into space extinct of such agendas.
2. All the powers of earth, galactic, and Laniakea have quickly identified and moved all outsider's energies to spheres extinct of such agenda by decrees of those star souls in physical bodies.
3. All voices of sorrow, death, tortures, rapes, anger, rage, decree actions to identify outsider's presence amongst us. Therefore, all powers within Earth, galactic, and Laniakea are required to answer and have removed such energies, agendas, and form to space of extinction.
4. The louder the cries, the greater responses of removal required and answered.
5. Deep Six is required in all space, time, world, dimension, region, and it is done!
6. All elements broadcasts to all directions the extinction decree. All outsiders, their agendas, energy forms, are extinct from their originator and 1st world throughout all space, time, region, worlds, galaxies, thoughts, words, emotions, and behaviors.

Creating a Reality Statement

- Describe your ideal world, or the world as you are calling it to be. Use personal and present tense, write it as if you are experiencing it now. This is similar to an affirmation but need not be specific. Write the sentence using personal and present tense, i.e., "I now am...." You are choosing your next experience and in the process old patterns can be transformed.

Using the Reality Shift:

There are four steps:

- Step 1. Speak the Reality Statement
- Step 2. Say to your Spiritual team, "Please move every aspect of my consciousness and the consciousness and all to whom I am loving connected into this chosen reality and experience." pause and breath
- Step 3. Next, ask your Spiritual team, to "TAG, Transform, DEEP Six, and Remove every energy imprint that would sabotage or prevent this reality and experience, whether the beginning was, Galactic, Group, Genetic, Personal, Inherited, Contractual, Outsider or Other created." pause and breath
- Step 4. Ask your Spiritual team, "Create the software program for the highest expression of this choice. Down load the codes into my 1st dimensional field.
- Anchor and Activate its resonance into the entire 64 dimensional energy fields our Galactic Families." Then you can know That It Is So!

A Reality Shift can be repeated three to four times for the first three days. Treat this energy field like you are building the fire to keep you warm. Imagine the outcome. Give thanks for the new experience, etc. You can also create a card with your reality statement to post on your mirror, refrigerator, in your office, etc.

DEEP Six

- The DEEP Six is a declaration/deed that requires that collectives of souls in the unseen world with specific abilities to identify Outsider frequencies, hear and follow the directives bundled for the work of moving them into original home and extinction.
- Then, to hold space for the TAG healing collective, Angels of Grace and more to heal/balance the energies involved while identifying energy vibrations in any frequency coming from those who hold agendas to dominate, control, discount the Good held or created by others.

Definition:

Outsiders:

Any soul or energy that holds the agenda to dominate others. To use violence and more to control, discount, diminish, and use others creations for their own. Parasitic by nature, they are no longer tolerated anywhere.
